

# Features

**Advanced Folding Capability**  
**Up to 5 folding actions**  
Enables complex, customizable folding for various blanket types.

**Smart Control System**  
**Full touchscreen interface**  
Simple, intuitive operation for all skill levels. Enables real-time monitoring, diagnostics, and network connectivity.

**Precision Folding Mechanism**  
Reversing motor and folding knife with air-blow assist ensures accurate, consistent folds every time.

**Durable & Sleek Construction**  
**High-gloss paint finish with flat surfaces**  
Easy to clean and aesthetically modern.  
**Built to strict fabrication standards**  
Reliable performance with long life.

**Enhanced Safety Features**  
**Protective covers on hazardous areas**  
Safeguards operator during use.  
**Clear warning signs on residual-risk zones**  
Promotes workplace safety and compliance.

# Blanket Folder

Designed for speed, precision, and ease of use, this fully automatic blanket folding machine handles widths up to 1500mm and lengths up to 2100mm with up to five customizable folds. It features a user-friendly touchscreen interface, intelligent control system, and a motor-driven folding mechanism with air-blow assist for consistent, high-quality results. Built to strict safety and durability standards, it's the ideal solution for efficient blanket processing in commercial laundry operations.

High-Speed • High-Precision • Fully Automatic

# Specifications

Description	Specification
compressed air pressure	0.5-0.7Mpa
compressed air connection	Φ12mm diameter
compressed air consumption	60L/min
voltage	208-240V / 440-480V / 60Hz / 3PH
rated motor power	1.265 kw
Electric consumption	1.8 kwh/h
control voltage	24V DC
working capacity	35m/min
minimum fold (length x width)	2100 x 1500mm
minimum fold length	1000mm
machine dimension(W×H×D)	2350×1840×1650mm
weight	1226kg

Machines are certified to ETL C-US standards. Some new models, including existing models that are in the process of being revised, may not be certified at the time of production. Consult factory for available certifications.
